

Corona Bullseye rules

Print Corona Bullseye target 2 - Rapid fire, 2- Slow fire. Each week will be a string of 4 targets.

Shooting distance 50 ft (use a tape measure)

2 divisions, center fire, rim fire each division requires 2 of each target. (that is 4 for you people missing multiple digits)

Open sights only (don't whine take the dot off you youngsters you can see just fine)

Position – Standing strong hand only, no support of any kind. (Old fashioned bullseye)

10 rounds per target, Slow fire 10 rounds within 5 min. Rapid fire 10 rounds within 20 sec.

Revolvers slow fire 10 rounds in 5 min, rapid fire 2 strings of 5 rounds in 10 sec each.

If you don't have a timer there are tons of apps for your cell phone. **Use a timer!!!!**

Bullet hole must touch the ring to score.

Only print 4 targets. you can't shoot a bunch and chose the best one.

You may entre both divisions.

Post your scores on Shooter Buddies! FB page. I will add a new thread every Saturday. Please only post your score no photos or comments. Post with division, if you are shooting both post twice.

Example Rimfire 249 – 11X Centerfire 203 – 3X
